Préface

Caraivéti – un mot utilisé dans les Védas pour signifier « la démarche de sagesse », est la revue de notre département. Nous avons nommé cette revue *Caraivéti* en espérant qu'il continuera son voyage et qu'il nous aidera à notre poursuite d'excellence.

Cela me fait grand plaisir de présenter le deuxième tome aux lecteurs. Je remercie vivement mes collègues qui ont travaillé sans cesse pour faire sortir ce tome. Les auteurs ont touché les problèmes concernant la philosophie, la pédagogie, la linguistique etc.

Nous attendons impatiemment les remarques, les commentaires de nos collègues pour que nous puissions améliorer la qualité académique de notre journal.
